

“ You are so much sunshine in every square inch. ”

-Walt Whitman

It's Summertime! This means the cabins are filled with muddy shoes, bug spray, wet towels, and (most importantly), the laughter of happy campers!

It's the season you wish could go on forever...long days spent playing games, splashing in the creek, and nights around the campfire under the stars. Want to be a camper again yourself? Join us over Labor Day for Family Camp. Registration is open [now!](#)

Announcements

Waycross has another one, they have them all the time! Waycross is pleased to announce the addition of Jonah Dahncke to the team as Assistant Director of Maintenance.

Jonah is a Waycross alumnus, serving as a camp counselor from 2014-2017. Jonah brings a background in woodworking, Hvac, electrical, plumbing, and an IU degree in culture and communications. Jonah will be living on-site at the Baughman house with his fiancée, Malori Austin.

In Memoriam

Bob Richards 1923-2022

Bob Richards joined the Waycross family in 1973 and was the Maintenance Director until retirement in 1988.

A Brown County native, and friend to all, Bob left a lasting impression on Waycross that ran far deeper than the upkeep of the property. Among Bob's finest qualities were his even temper and willingness to teach. No matter the task at hand, it was always more meaningful and enriching when worked on with Bob. A highlight for camp staff during his tenure were his nature hikes, where he shared his extensive knowledge of the area, plants, and trees.
