

*"It seems like everything sleeps in winter, but it's really a time of renewal and reflection."*

— Elizabeth Camden

If the quiet of the winter months offers one thing, it is time... time to reflect on our busy camping season, the many faces that have visited us this year, and to appreciate those who have chosen to support us with their generous donations. We would like to take this opportunity to thank our donors and volunteers. We know that there are many other worthy organizations you could support and feel honored that you share your time and treasure with us.
